

HANDELSBANKEN

Proposal from the nomination committee (2010) and a report on its work

The nomination committee has consisted of Mr Carl-Olof By, Industrivärden, chairman, Mr Henrik Forssén, the Oktagonen Foundation, Mr Bo Selling, Alecta, Mr Lars Öhrstedt, AFA Försäkring, and Mr Hans Larsson, chairman of the board of Handelsbanken.

Election of the chairman of the annual general meeting

The nomination committee proposes that Mr Sven Unger be elected chairman of the annual general meeting (AGM).

Determining the number of members of the board to be appointed by the AGM

The nomination committee proposes that the AGM resolve that the board consist of twelve members (unchanged).

Determining fees for board members and auditors

The following fees are proposed: SEK 2,350,000 to the chairman, SEK 675,000 to each of the two vice chairmen, and SEK 450,000 to each of the remaining members. For committee work, the following fees are proposed: SEK 250,000 to each member of the credit committee, SEK 100,000 to each member of the remuneration committee, SEK 175,000 to the chairman of the audit committee, and SEK 125,000 to the remaining members of the audit committee. In all cases, the proposed amounts are unchanged from the resolutions of the AGM in 2009.

The nomination committee proposes that the meeting resolve on remuneration to be paid to the auditors “on approved account”.

Election of the board members and the chairman of the board

The nomination committee proposes that the AGM re-elect all board members.

The nomination committee also proposes that the chairman of the board, Mr Hans Larsson, be re-elected as chairman.

The composition of the board fulfils the requirement in the issuers’ regulations applying to companies with shares admitted to trading on NASDAQ OMX Stockholm that the majority of board members must be independent of the company and the company’s management (9 out of 12), as well as the requirement that at least two of the independent board members must be independent of the company’s major shareholders (6 out of the 9).

For a more detailed presentation of the persons proposed for re-election as board members, please see the attached information.

Resolution on a nomination committee for the annual general meeting in 2011 and subsequent annual general meetings

The nomination committee proposes that the meeting resolve on the forms for appointing a nomination committee for the annual general meeting in 2011 and subsequent annual general meetings.

The nomination committee shall have five members. Four of the members (the “Shareholders’ Representatives”) shall represent the Bank’s four largest shareholders/shareholder groups in terms of votes, according to shareholder information from Euroclear Sweden AB as at 31 August the year before the annual general meeting is held, or which by some other means prove to be among the largest shareholders (the “Largest Shareholders”) on this date; one of these members is to chair the committee. However, the nomination committee must not include representatives of companies which are significant competitors of the Bank in any of its main areas of operations.

The annual general meeting assigns the chairman of the board to contact the Largest Shareholders. These will each appoint one representative who, together with the chairman, are to constitute the nomination committee for the period until a new nomination committee is appointed by mandate from the next annual general meeting. The members of the nomination committee for the nomination of board members shall be announced on the Bank’s website six months at the latest before the election is to be conducted.

The members of the nomination committee are to appoint the chairman among themselves. No fees are to be paid.

Should a shareholder which is represented on the nomination committee cease to be one of the Largest Shareholders as a result of changes in the ownership structure, then, if the change is significant and the majority of the members of the nomination committee so decides, the shareholder’s representative must withdraw from the nomination committee, and the shareholder which has been newly added to the four largest shareholders/shareholder groups in terms of votes is to appoint a representative instead. However, changes in the ownership structure which occur less than three months before an annual general meeting will not lead to any change in the composition of the nomination committee.

If a Shareholders’ Representative leaves his/her position with the shareholder, the shareholder is entitled to appoint a new representative for the nomination committee.

If one of Largest Shareholders no longer wishes to participate in the work of the nomination committee by having a representative on the committee, and the nomination committee considers that there is a need to replace this representative, the shareholder which is next in line among the largest shareholders/shareholder groups in terms of votes is to appoint a representative instead.

Any changes in the composition of the nomination committee must be made public immediately.

This resolution on the forms for appointing a nomination committee for the annual general meeting in 2011 and subsequent annual general meetings shall apply until it is amended by a future shareholders' meeting.

Report on the work of the nomination committee

The nomination committee has held three meetings.

On the Bank's website under the heading "Annual General Meeting" it is stated that shareholders may submit proposals to the nomination committee by 31 December 2009 at the latest. No proposals have been received.

Assessment of the board and proposal for re-election

The chairman of the board, Mr Hans Larsson, has submitted a report regarding the assessment of the work of the board carried out during the second half of 2009. Mr Larsson has had one-to-one meetings with each of the members of the board. The main conclusions from these meetings have been presented to the nomination committee.

The nomination committee considers that the board should consist of twelve members. Among the nominated persons, Mr Tommy Bylund and Ms Ulrika Boëthius represent the Oktogonen Foundation, in which context it may be noted that there are no separate employee representatives on the Bank's board.

At the previous annual general meeting, two new members joined the board. No members have declined re-election. The persons proposed for re-election are presented below. In the opinion of the nomination committee, the composition of the proposed board, given the Bank's operations, stage of development and other circumstances, will be appropriate, with the requisite breadth and versatility in terms of background, expertise and experience. Therefore, no changes are proposed for this year.
