A presentation of the work of the nomination committee can be found on the Bank's website [handelsbanken.com/bolagsstamma](https://handelsbanken.com/bolagsstamma) (in English at [handelsbanken.com/agm](https://handelsbanken.com/agm)).

### **Item 2 Election of the chair of the meeting**

The nomination committee proposes that Ms Eva Hägg be chair of the meeting.

### **Item 9 Dividend and record day**

The Board proposes an ordinary dividend of SEK 5.50 per share and a special dividend of SEK 2.50 per share, and that the remaining profits be carried forward to next year. In addition, the Board proposes that Friday, 24 March 2023 be the record day for receiving dividends. If the meeting resolves in accordance with the proposal, Euroclear Sweden AB expects to distribute the dividend on Wednesday, 29 March 2023.

### **Items 12-13 Acquisition and divestment of the Bank's own shares**

The Board proposes that it be authorised, until the next AGM, to resolve on the acquisition of a maximum of 120,000,000 class A and/or B shares via Nasdaq Stockholm and divestment – both via Nasdaq Stockholm and outside Nasdaq Stockholm – of all the Bank's own class A and/or B shares, with the right to deviate from the shareholders' preferential rights. The earning capacity of the Bank remains good, and a stable capital situation can be foreseen. Depending on the continuing growth in volumes, a strengthened capital situation may arise. In such a situation, it could be appropriate to adjust the Bank's capital structure, which may, among other things, be carried out by repurchasing the Bank's own shares. A new authorisation by the meeting for the Board to resolve on the repurchase of the Bank's own shares is therefore justified. The Board also notes that if the Bank were to acquire a company or operations, such a transaction could be facilitated if its own repurchased shares were available to finance such acquisitions. The Board also proposes that the Bank, in order to facilitate its securities operations, shall have the right to acquire its own class A and/or class B shares for the Bank's trading book until the next AGM pursuant to Chapter 7, Section 6 of the Swedish Securities Market Act (2007:528), on condition that its own shares in the trading book at no time exceed two per cent of all shares in the Bank. The aggregated holding of own shares shall not at any time exceed one-tenth of the total number of shares in the Bank.

### **Item 14 The Board's proposal regarding authorisation for the Board to resolve on issuance of convertible tier 1 capital instruments**

The Board proposes that the annual general meeting resolve to authorise the Board to issue convertible tier 1 capital instruments during the period until the annual general meeting in 2024, on the following main conditions.

- An issue may be made with or without deviation from shareholders' preferential rights.

- The convertibles will not include the right of conversion for the holders, but will lead to mandatory conversion to shares in accordance with the terms and conditions, in the case of one or more pre-defined events.
- The loan amount and conversion conditions will be determined so that the aggregate number of shares which may be issued when converting convertibles issued under this authorisation, with application of the conversion price determined at the time of issue, amounts to a maximum of 10 per cent of the number of shares issued in Handelsbanken, currently corresponding to 198,002,849 shares. Issuances under this authorisation must be made on market terms.

The purpose of the authorisation is to permit a flexible, effective adaptation of Handelsbanken's capital structure. The reasons for being able to issue the convertibles with deviation from the shareholders' preferential rights are that the authorisation would allow the Board to rapidly perform issues of convertible debt instruments, which is considered appropriate in view of the fact that it is intended that these debt instruments will mainly be issued to debt investors on the international capital markets, and it is therefore important to be able to issue them at an appropriate point in time.

#### **Items 15-16 Determining the number of members of the Board and the number of auditors to be appointed by the meeting**

The nomination committee proposes that the meeting resolve that the Board consist of ten (10) members elected by the annual general meeting. In addition, in accordance with the audit committee's recommendation, the nomination committee proposes that the meeting appoint two registered auditing companies as auditors.

It was noted that workers' organisations have appointed employee representatives to the Board: two ordinary members and two deputy members.

#### **Item 17 Determining fees for Board members and auditors**

Fees to the chair, deputy chair and remaining members are proposed by the nomination committee as follows: SEK 3,750,000 to the chair, SEK 1,070,000 to the deputy chair, and SEK 765,000 to each of the remaining members. For committee work, the following fees per member are proposed: remuneration committee SEK 140,000; credit committee SEK 450,000 to members and SEK 510,000 to the chair; UK committee SEK 450,000 to members and SEK 510,000 to the chair; risk committee SEK 450,000 to members and SEK 560,000 to the chair; and audit committee SEK 450,000 to members and SEK 560,000 to the chair. Board members who are employees of Handelsbanken shall not receive a fee.

The nomination committee proposes that the meeting resolve on remuneration to be paid to the auditors "on approved account".

#### **Items 18-19 Election of the Board members and the Chairman of the Board**

The nomination committee proposes that the meeting re-elect the following members: Mr Jon Fredrik Baksaas, Ms H el ene Barnekow, Ms Stina Bergfors, Mr Hans Bi rck, Mr P ar Boman, Ms Kerstin Hessius, Mr Fredrik Lundberg, Mr Ulf Riese, Ms Arja Taaveniku and Ms Carina  kerstr m.

The nomination committee also proposes that Mr P ar Boman be re-elected as Chairman of the Board.

Should these two auditing companies be elected, it has been announced that they will appoint as auditors in charge Mr Johan Rippe (authorised public accountant) for PwC and Ms Malin Lünig (authorised public accountant) for Deloitte AB.

The Board proposes that the registered public accounting firm Ernst & Young AB be appointed as auditors to the following foundation associated with Svenska Handelsbanken AB:

- The Tora Persson and Harald Björkman Foundation (*Tora Persson och Harald Björkmans stiftelse*)

### **Item 22 Proposal from a shareholder concerning the Bank's IT management**

The shareholder Mr Carl Axel Bruno has proposed that the meeting should resolve "that Handelsbanken adjust the software in its central computers, so that at every log-in, the software also verifies that the customer has acquired BankID, so that log-in using a log-in device is prevented."

*Statement from Handelsbanken:* The Bank constantly monitors developments within cyber threats and fraud, as well as technical and societal developments, to ensure that the Bank's security solutions fulfil security requirements, availability requirements, etc. In the Bank's assessment, a correction or adjustment of the software in Handelsbanken's central computers such as the shareholder is requesting would be neither correct nor necessary.

### **Item 23 Proposal from a shareholder concerning formation of an integration institute etc.**

The shareholder Mr Tommy Jonasson has proposed that the meeting resolve "to instruct the board to participate in the formation of an integration institute with operations in the Öresund region (Landskrona - Copenhagen) and to allocate SEK 10,000,000 (ten million) of the profit for the year."
